An aerial photograph of a resort complex nestled in a lush, green tropical forest. The central feature is a large, irregularly shaped swimming pool with a vibrant blue surface. To the left of the pool, there is a circular structure with a thatched roof, possibly a gazebo or a small pavilion. In the center, a large building with a prominent thatched roof is visible. To the right, there is a large outdoor lounge area with numerous white umbrellas and lounge chairs. The entire resort is surrounded by dense tropical vegetation, including palm trees and other lush greenery. The text "OUR FACILITIES" is overlaid in the center of the image.

ISLAND TOUR BY RESORT

An aerial photograph of a large, rugged island with a steep, rocky cliffside. The island is covered with green vegetation on its top and lower slopes. The surrounding water is a deep blue, with a shallow, turquoise area near the base of the cliff. A small boat is visible in the water to the left of the island. In the background, several other smaller islands are scattered across the horizon under a blue sky with light clouds.
